Chief, FEIS

Future Assignment

1. Orders are being issued for your return from Cairo to the United States and upon your arrival in Washington it is contemplated that you will be assigned to the Editorial Division as an Editorial and Information Specialist with grade CAP-9.
2. It has been the policy of this branch to effect a readjustment of grade for editorial personnel returning from overseas. This readjustment has been necessary due to the fact that in general the Departmental grades for Editorial and Information Specialists have been two grades lower than those established for editors in the Field.
3. Your reduction in grade, therefore, is made without prejudice and you will be given an equal opportunity for advancement with all Departmental editors in grade CAP-9.
